The Grounds and Your Garden

The Birds

The last owner of Leeds Castle, Lady Baillie, liked birds and created an aviary near to the Castle. Today, Leeds Castle's Bird of Prey Centre houses a large collection of different species.

Walk around your garden, or park if safe to do so and see what birds you can see. Write down their name and what you think their favourite food is.

The Dogs and Cats

At Leeds Castle you can visit the Dog Collar Museum when we are open again.

What pets do you have at home? Choose one (if you dont have a pet, choose a friend's) and daw it in the box below.

The Maze

You cannot enjoy our maze just yet but, in the meantime, try this challenge and find your way to the middle.

Your House

As you cannot tour Leeds Castle at the moment, why not write a guided tour of your house?

Start in your bedroom and describe the bed. How big is it? What colour are the covers? What things can you see that you can describe to other people?

Now choose one room in your home and one spot in your garden. How many different colours can you see. Tick all that you can see on the wheel.

We hope you enjoyed this fun trail and look forward to seeing you at Leeds Castle when we are open again.
